

RETURNS/REFUND POLICY

Our policy lasts 30 days. If 30 days have gone by since your purchase, unfortunately we can't offer you a refund or exchange.

To be eligible for a return:

- your item must NOT have been made to order or designed to a specific specification
- your item must be unused
- your item must be in the same condition that you received it
- It must also be in the original packaging

Several types of goods are exempt from being returned. Perishable goods such as food, flowers, newspapers or magazines cannot be returned. We also do not accept products that are intimate or sanitary goods, hazardous materials, or flammable liquids or gases.

All products that have been made to order or designed to a specific specification are non-returnable/non-refundable: (if applicable)

- All of the "made to order" products are bespoke ones, made especially for you and made to order. As a result no returns are accepted on products that are not damaged.

Additional non-returnable/non-refundable items:

- Gift cards
- Downloadable software products
- Some health and personal care items

To complete your return, we require a receipt or proof of purchase.

Please do not send your purchase back to the manufacturer.

There are certain situations where only partial refunds are granted: (if applicable)

- Book with obvious signs of use
- CD, DVD, VHS tape, software, video game, cassette tape, or vinyl record that has been opened.
- Any item not in its original condition, is damaged or missing parts for reasons not due to our error.
- Any item that is returned more than 30 days after delivery

Refunds (if applicable)

Once your return is received and inspected, we will send you an email to notify you that we have received your returned item. We will also notify you of the approval or rejection of your refund.

If you are approved, then your refund will be processed, and a credit will automatically be applied to your credit card or original method of payment, within a certain amount of days.

Late or missing refunds (if applicable)

If you haven't received a refund yet, first check your bank account again.

Then contact your credit card company, it may take some time before your refund is officially posted.

Next contact your bank. There is often some processing time before a refund is posted.

If you've done all of this and you still have not received your refund yet, please contact us at helencoe@health-care-ireland.com.

Sale items (if applicable)

Only regular priced items may be refunded, unfortunately sale items cannot be refunded.
